Hedi Dhaouadi

M2 Digital Marketing & Data Analytics @ GEM Paris | B2B Tech & Data Marketing | CRM & Automation
Greater Paris Metropolitan Region

Summary

Admitted to MSc Digital Marketing & Data Analytics at GEM ParisI specialize in B2B marketing within tech and data-driven environments, with experience in communication strategy, lead generation, CRM, and marketing automation. I have worked in fast-paced settings, contributing to brand visibility, structuring marketing activities, and collaborating with technology partners. Previously led marketing at Kumulus Water, a french deep-tech startup revolutionizing sustainable access to clean drinking water.

Experience

OliveSoft
Marketing and Partnerships Manager
September 2024 - April 2026 (1 year 8 months)
Tunis, Tunisia

• Company Growth: Managed the marketing and brand strategy that supported a 100% growth in company performance in 2025/Q1 2026.
• Partnership Management: Built and maintained relationships with tech partners including Google, Microsoft, Qlik, N8N, Datadog and Salesforce to drive indirect revenues.
• Sales Pipeline: Improved sales & CRM processes, and sales materials , leading to a 2x increase in new accounts.
• Events & Communication: Organized internal and external events to promote the company’s expertise in data and AI for the retail and luxury sectors with 300% growth in visibility KPIs organically

KUMULUS WATER
2 years 8 months

Marketing & Communication Lead
September 2022 - August 2024 (2 years)
Tunis, Tunisia

Started as Business Developer then promoted to Marketing Lead

• Managed social media accounts and content creation: +3500% organic growth on Facebook & LinkedIn
• Sales: Lead generation, prospection & CRM management. +2500 organic B2B and B2C leads generated and integration of Hubspot as company CRM.
• Briefs and slide deck preperation: assisted in and developed presentations for events, investment, and for clients and CSR projects.
• Managed all events participations (Vivatech 22', 23' and 24', Websummit 22',GITEX 23' , COP28, CES23, SelectUSA24) achieving targeted KPIs in terms of prospection & investor interest.
• Managed all marketing and communication activities (media, website, interface, competitor & market research, data analysis) and media relations with large channels (BBC, CNN, FR24, and collaborations with AfBD)
• Attained funding and managed the deployment of the company's biggest projects positvely impacting underserved communities: bringing access to drinking water to 6 schools & 1200+ students and staff
• External Relations: management of accelerator and partner relations & reporting to investors

In addition, I acted as Chief of Staff in tasks such as:

• Managing and applying for grants and funding opportunities
• Communicating with potential investors and technological partners
• Preparing and delivering investor pitches and participating in competitions
• Internal management: Assisted in and outlined internal processes and assisted in onboarding 8~ team members of varying backgrounds and seniorities.
